

Authorization To Perform Work: Initial _____

This letter grants Merrimac Communications permission to install services requested by the customer using industry-accepted practices. I (Full Name) _____, the Authorizing Agent (home owner, landlord, resident, etc.), will take full responsibility for all oversight of all and any Merrimac Communications employees, contractors, or its agents of any kind.

Authorization To Perform Intrusive Work: Initial _____

This letter grants Merrimac Communications permission to use all and any means necessary to install at the requested location(s) and hold harmless Merrimac Communications of any damages. These actions may include, but are not limited to the following: drilling floors, ceilings, walls, and trim; cutting of large access holes in sheet rock, carpet, wood and trim; affixing staples, screws, "p" hooks, and "j" hooks; attaching cables, mounts, cabinets.

Merrimac Communications will not be responsible for repairing, replacing, or making whole any dwelling or fixture altered in the course of install. The Authorizing Agent will take full responsibility for all oversight of all and any Merrimac Communications employees, contractors, or its agents of any kind.

I (Full Name) _____, the Authorizing Agent (home owner, landlord, resident, etc.), understand that this install may exceed the scope of traditional work and require invasive and/or damaging practices in order to provide me with service to the locations I request. I also understand, just as stated above, Merrimac Communications will not be responsible for the cleanup or repair resulting from these actions. I am solely responsible for the actions of anyone providing me with these install services. I will hold harmless and without fault Merrimac Communications for any actions I request of its employees, contractors, or agents.

Equipment Responsibility: Initial _____

I, the Customer, understand and agree that any equipment described herein held in my possession is the property of Merrimac Communications and that I assume full responsibility for any damage that may occur through misuse, abuse, fire or theft and will exercise reasonable care to ensure the equipment is maintained in good working condition. I understand that the possession or use of this equipment without the authorization of Merrimac Communications is a violation of state and federal law and constitutes a theft as described by law. In the event that my service is disconnected, I agree to return equipment to Merrimac Communications within 30 days of termination.

I, the Customer, further understand and agree that upon termination of service I will immediately return the equipment, with all attachments, accessories and parts to Merrimac Communications in the same condition the equipment was received, ordinary wear and tear excepted; to use the equipment only for the purpose of receiving the services ordered from Merrimac Communications and for no other purpose; to prevent any connections to the equipment which are not expressly authorized for Merrimac Communications; and to prevent tampering, altering, or repair of the equipment by any person other than Merrimac Communications' authorized personnel.

I, the Customer, further understand and agree that if the equipment is lost, stolen or destroyed or if I fail to return the equipment, I am responsible and will pay to Merrimac Communications the full replacement cost for each piece of equipment that I fail to return. If I have given Merrimac Communications a cash deposit or a credit card as security for my prompt payment of service and the safe keeping of equipment, Merrimac Communications is authorized to offset or debit my deposit account or debit my credit card in the exact amount for each piece of equipment that I fail to return.
